

REMARKS

Claims 1-68 are pending in the application and are subject to restriction and/or election requirement. The Examiner states that the claims have been restricted under 35 U.S.C. § 121 to the following distinct species:

- I. species of figures 1-3; and
- II. species of figures 4 and 5.

Further, the Examiner states that claims 36 and 63 are generic.

Applicants elect Species II (*i.e.*, the species of figures 4 and 5). Additionally, Applicants have canceled claims 64-68 without prejudice. Claims readable on Species II include claims 1-35, 38 and 51-62. Furthermore, Applicants submit that claims 37 and 39-50, which are all dependent on generic claim 36, are also generic to both Species I and II. Having addressed all issues set out in the office action, Applicants respectfully request withdrawal of the restriction requirement. Accordingly, Applicants respectfully request prosecution of claims 1-63 that are all readable on the elected species.

Respectfully submitted,

William B. Patterson
